

Directions

My office location has convenient free parking on the south side of the building. What is not convenient is a divider between the northbound and southbound lanes of Ridge Avenue in front of the building, so you must approach the building from the north. The nearest intersection to the north is the three-way intersection of Ridge Avenue, Golf Road/Emerson Road, and Green Bay Road.

The building, which is owned by FARA brokerage, has the name FARA on the front of it in big letters. There are also big letters displaying the address: 1740. On the photo here this building is marked with a yellow star. The yellow arrows on the photo indicate that you need to pull into the driveway on the north side of the building and then drive around the building to the parking spaces on the south side of the building.

A useful landmark is the large address sign for the building next door, the 1800 Ridge building. My building and the 1800 Ridge building share the driveway entrance. Turn into the driveway in front of this large sign as you are driving south on Ridge, and then drive around my building to the free parking to the south.

You will need a code to enter the building through the front door. I will give you this code before your first visit. Suite 208 is on the second floor. Come into the building through the front door, walk straight ahead to the stairs and take them (or the adjacent elevator) to the second floor.

If you have any questions about this, please do not hesitate to call me. I have a comfortable space where it will be a pleasure for us to meet.

Mary Senn, LCSW, ACSW
